ANNUAL REPORT 2020-21

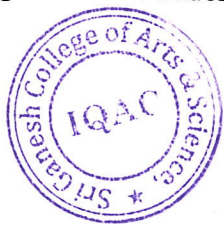

Good Evening and welcome to the memorable day. On this memorable occasion, I take immense pleasure to welcome Our Chief Guest, Honourable chairman , treasurer and Secretary. I extend my warm greetings to both of you. Respected members of the management, dear parents, well-wishers of this institution, beloved colleagues and my dear students, I extend my warm greetings to all present here and wish you a pleasant evening.

The college has been developing in leaps and bounds since then. The college has made a significant contribution to the inhabitants of the vicinity, particularly to the rural women, who have suffered years of social oppression. Our College provides educational opportunities to students from all sections of the society.

Our college is well known for its commitment to academic excellence and value based holistic education. It seeks as its primary mission to provide students with the kind of education that will enable them to participate fully in developmental and transformative actions which will benefit the community and society at large.

Teaching excellence is considered the strength of our college. The college has a well established long tradition of teaching-learning excellence at all levels. Faculty members employ a range of course-specific teaching-learning strategies that optimise learning outcomes for a heterogeneous student population with a range of learning styles.

Our faculty members represent some of the best minds available in various disciplines in which we offer programmes at undergraduate, postgraduate, and research levels.

The academic progression and the other issues pertaining to students' welfare are effectively monitored periodically by an efficient mentor mentee system coordinated by the faculty. An innovative English language skill development programme is offered to the desirous students of all the classes to enhance their English communication skills and improve their employability potential.

Promotion and sustenance of teacher excellence being high on the institution's development agenda, the college organised various faculty development activities this year. They were aimed at training and upgrading the capacity of the faculty at different levels throughout the year. Moreover, the faculty were encouraged to engage in research activities of different kinds and also to acquire doctoral degrees.

In this regard, the college has logged seminars, workshops, and conferences at state and national levels. And faculty members were permitted and assisted to attend FDPs.

Furthermore, the faculty members participated in activities- ranging from presenting papers at conferences, seminars and symposia and publishing research papers in UGC care and Scopus journals that develop academic competencies and research skills.

To keep in pace with the growing campus community and its needs, the college has upgraded its infrastructural facilities. It includes the installation of a few more smart board facilities and an enhanced limit of on campus Wi-fi connection.

The institution makes use of the latest technology available in order to ensure the quality of its programmes and effective functioning of all its units. Every major administrative unit of the college is linked through a fibre optic back bone which ensures that resources are available to the authorised users. The departments are enabled with Wi-Fi for network access.

The library forms an important support system for all academic programmes and research activities. The extensive holdings of resource materials in both print and digital format fully supports academic and research programmes. The next part of my report focuses on the significant activities of the Departments of our College, as well as outstanding achievements of faculty and students from these Departments.

The IQAC of our college has extended its activities to cover all aspects of the functioning of the college. It is a nodal centre that works towards quality sustenance and enhancement. The cell organises and conducts capacity building sessions and programmes for faculty and students. In response to the nation-wide call to improve research in institutions of higher education in the country, we have begun to focus our energies on establishing a strong research culture on campus. Two of our faculty members have been awarded their doctoral degrees this year.

Faculty members have received recognition and awards for their exemplary work from various bodies. It is a testimony to their hard work and selfless service to the institution and society. Our college got best results and received ranks for their exemplary performance in academic results.

Sports and games are important aspects of the holistic education that our college offers. Our students have excelled in sports and games at all levels and encouragement is given to the participating students by allowing them flexible continuous assessment schedules and attendance requirements.

The NSS and YRC units are an integral part of student involvement with dedicated community service. They have organised many programmes. Their services bring laurel to college. Extension projects and outreach activities have always been a strength to our college and foreground the institution's core value of service to the community.

The Fine Arts Club of our college has excelled and grabbed many prizes in dance, drama and music. Various days were observed to create best culture at college. Women's Day was observed on campus

with impassioned and inspiring talks by the Chief Guest, a living example of how we can overcome challenges with courage and determination.

The Career Guidance Cell of our college provides training to students to enhance employability potential, in addition to providing information on job availability and fostering partnerships and links with the corporate sector for placement and training opportunities. This year, many students are registered for campus recruitment at the Placement Cell through online mode.

Alumni Association supported our college in various activities throughout the year. A Departmental wise alumnae meeting was organized, where alumnae shared their wonderful memories.

As I reach the end of this summary of our activities, it is my duty to thank the various individuals and organisations who have contributed in multiple ways to our growth and progress. I thank the heads and the faculty of the different departments, the Non-Teaching Staff, the other supporting staff and the students who have played a very significant role in making this day a memorable one.

Faulty members have improved their skills through Faculty Development Programme. They were permitted to attend it in our college on duty. The Research Departments have published 18 research papers in peer reviewed research journals.

The college has seen tremendous developments in an efficient manner over various periods. In the academic year 2022-23, Conferences/Seminars/Workshops/Symposium/Webinars have been organized by various departments. They have also conducted many events.

In order to provide opportunities for students to consolidate, enrich and extend their learning, and to extend a helping hand in uplifting the nearby society the students of each department visited the villages and served the people there.

Various Departments have signed Memorandum of Understanding (MoU) in order to improve and enrich the knowledge and understanding with other institutions, department and Industry. The Placement and Career Guidance Cell conducted various workshops and training programmes on career orientation, career guidance, selfemployment, and entrepreneurship management to make the students aware of educational and career choices.

Being given to understand that the students of surrounding villages possess natural energy, the Management decided to be segregate the potential students. As Such willing students were called upon to participate in the selection. The selected students were trained by special coaches in athletics, Kho-Kho and Kabadi. These children were encouraged by providing nutritious food, bus facilities after their coaching etc. As a result, our teams started reaping the results. Now they have carried the name of the College in the University level and state level, ensuring their own well being of job opportunities.

The athletes and football players of this college are undergoing training to compete for the Tamilnadu Chief Minister's Trophy Tournament announced by the Government.
